

The Idaho Center on Disabilities and Human Development invites you to join us!

If you are a person with a disability
or a family member we need you on
our Community Advisory Committee
(CAC)!

CAC meets three times a year in
person or online.

As a CAC member you will:

- Help us plan our activities
- Tell us what is important to you
- Meet people around the state

Visit: idahocdhd.org/AboutUs/CAC
